About ABILITY Network

ABILITY® Network an Inovalon Company, is a leading information technology company helping providers and payers simplify the administrative and clinical complexities of healthcare through innovative applications and data analytics. The combination of MyABILITY and the Inovalon ONE™ Platform creates a vertically integrated cloud-based platform empowering the achievement of real-time value-based care from payers, manufacturers, and diagnostics all the way to the patient's point of care.

ABILITY Network Named One of the Fastest Growing Companies in World

MINNEAPOLIS (August 15, 2018) – ABILITY Network, an Inovalon company, has been recognized by Inc. in its “Inc. 5000” list, which is an exclusive ranking of the fastest growing privately-held companies in the world. Companies named to this list have achieved outstanding revenue growth over a three year period.

“Our growth and this recognition is a proof point of the important role we play in helping more and more customers solve complex administrative and clinical healthcare challenges,” said Jamie Rice, president and general manager of ABILITY Network. “In delivering applications that work together to simplify complexity, we help our customers achieve more – for their organizations, their patients and themselves.”

ABILITY provides specialized, easy-to-use applications and analytics that help with revenue cycle management, care quality management and workforce management via a powerful, integrated, cloud-based SaaS platform.
