

Featuring an easy-to-read breakdown of outstanding balances, ABILITY Patient Statements increase your patients' ability to understand your bills, decreasing both patient phone calls and payment delays for your practice. With a simple enrollment and set-up process and a choice of statement formats and colors, you can enhance your business image and bottom line in no time.

### **ABILITY Patient Statements allow you to:**

- Accept files from a wide range of billing software and differing formats
- Opt for state-of-the-art address verification/correction capabilities
- Add a customized logo to statements
- Bill patients across different healthcare sectors, including ambulatory or acute-care

## ADVANTAGES FOR YOUR ORGANIZATION

### **Using outside vendors? Reduce your costs.**

If you're currently using another vendor to send your statements, take advantage of ABILITY Patient Statements, which offer simple, affordable service, supported by an excellent customer service team.

### **Using an in-house process? Save time and internal resources**

If your own staff coordinates, prints and mails patient statements – reduce your overhead and ever-increasing mailing costs for printing, bulk mail infrastructure, and labor by moving to ABILITY.

### **Deliver fast and accurate patient statements**

Have your statements delivered faster with a first-class presort. Plus, you can submit multiple files per day.

### **Get professional, easy-to-read design options**

Choose from several statement formats and papers. Add your logo to ensure a professional look.
