

Benefits to Your Organization

- **Faster claim payments**, thanks to streamlined eligibility and benefit confirmation
- **Significant time savings** with less administrative workload
- **Increased revenue** through eligibility validation
- **More informed decision-making** with identification of Medicare replacement plans and secondary payers
- **Faster reimbursement** and improved cash flow, as eligibility is identified at the onset of a patient stay
- **Fewer claim rejects** and returns with upfront identification of Medicare Supplement or Advantage plans

Get fast, detailed eligibility status and medical benefit information without login IDs and passwords, and without wading through multiple pages of information for each patient. **ABILITY | CHOICE Medicare Eligibility** allows you to submit inquiries 24/7 and receive real-time responses.
