

ABILITY EASE

All-Payer now integrates with Epic

Increase claims visibility, reduce rejections

Managing your revenue cycle is more complex than ever. Claims denials and eligibility issues can slow down your cash flow. Now, **ABILITY EASE All-Payer** integrates directly with Epic to give you better visibility into all your claims and help you get paid faster.

CONVENIENT VALIDATION TOOLS

Manual processes are not only time consuming, they also leave a greater margin for error. With **ABILITY EASE All-Payer**, you'll discover a seamless way to catch claims mistakes before they're sent to payers, with:

Daily claims status updates

Customizable business rules

Direct integration with your Epic work queues for quick corrections

More ways for patients to pay

The addition of **ABILITY SECUREPAY** to all Epic patient payment modules enables you to address 100% of your patient pay revenue, including online, phone, mail and point-of-service payments via credit card, card-on-file, check, bank account and mobile pay platforms.

Why ABILITY?

ABILITY Network, an Inovalon Company, is a leading cloud-based, SaaS information technology company. We're committed to helping providers like you solve your administrative and clinical challenges through innovative applications and data analytics.
